

CERTIFICATE

Solarif Insurance (i.e. Solar Insurance B.V.) declares, after a thorough risk assessment of amongst others the production lines, financial strength, environmental and labor conditions, that the modules mentioned below from the **Zhongli Talesun Solar (Thailand)** factory located at Amata City, Thailand, are approved.

The certificate is valid from **18 March 2016** until **18 March 2017** and as long as the company is not insolvent.

This certificate enables clients who use the approved modules to insure their PV installation – as an optional cover on the operational Solar PV Insurance – against damages arising from or caused by an inherent defect.

This insurance is exclusively available through Solarif.
